MARSHALL PLAN FOR AMERICA IS A MUST by Drew Pearson

(Continued from last week's issue)

In further contrast, the House voted an anti-riot bill which many congressmen consider unconstitutional and which will do nothing to stop the basic cause of the race riots.

In view of the above, there is little chance of a Marshall Plan for America to bring better housing, new schools, better teachers and job training to the big cities. And probably there will be no chance as long as Negro demands are made at the point of the brick, the sniper's bullet, and the Molotov cocktail.

However, what the white rural Congress must realize is that people who have nothing to lose aren't scared of anything. So they'll continue fighting and rioting and brick-throwing until they've got something to lose.

Vice President Humphrey, who is LBJ's trouble-shooter on race relations, has been reminding Negro leaders that the Irish, the Jews, the Italians and quite recently the Cubans migrated to this country and pulled themselves up to being leaders of the community without government grants; therefore, Negroes should do the same.

But history shows that when the Irish first invaded America there were race riots in New York & Philadelphia which made the Newark and Detroit riots look like Sunday school picnics. There were also serious Negro riots. Against 26 killed in Newark in 1967, there were 1,200 Negroes killed in Newark in 1862, because Negroes were blamed for the Civil War Draft Act.

History also shows that during 350 years of American slavery the Negro was kept in a state of bartered serfdom in which he lost the human qualities so necessary to taking an important place in modern society. He lost ambition & he lost dignity.

Pickle, popular mgr. of the Red Robin had a boss thing going business wise until that young undesirable came in to throw a damper on the whole affair. Marvin was handling the stick.

Sweet Shirley, Solemn face Ollie and 'Ancient looking' Carol handled the huge throng like it was fight night at Madison S. Garden to the delight of everyone attending at the Chicken Shack on Avon Ave.

Bill, one of the better stickmen at the A & S on Sherman Ave., has been absent from this place of business for a spell much to the dislike of his following who cannot seem to find what the trouble is. He has been sick.

Jimmy, a popular fellow around town had an urge to get some of Dot's cooking at Herby's on Springfield Ave and he said that he shall play McArthur.

He will be back.

Congratulations to a former flame of mine, Irene Queen, who is married and the mother of a three-month old baby. Glad for her.

Often fellows who are pretty "hi," as far as elegance is concerned ventured to Hawk's on Jone St. and say that they've never gotten a shine like Hawk puts on.

Daddy Gay, John, Iszy and this writer with 'no chicks' involved had a set going on at the P.O.N. that ran one with the showers. Me.

Carol, lovely and popular waitress at the popular spot on the 'strip' is leaving due to the fact she's having a baby. A tremendous loss to this busv club. Sweet Lorraine, home after a lengthy stay away from all her loved ones and friends. Glad she's back.

ALL THAT JAZZ

by Art Williams

Bill Evans really taking care of business at the Front Room last week, . . I must catch Geronimo & Benny Green at the New Music Note, I hear Benny is really cooking. . . . Specks Williams still has the Mon. nite jam going at the Playbill. Roland Andrews sat in on organ and had things grooving. . . .Debbie Rollins who always showed potential is now the spark in a duo called Bonnie & Lee. She is one of our home grown products, and is now attending Howard U. and doing T.V. shows down D. C. way. . .The super drummer Max Roach is ok at the Front Room. . .The Jazzmobile is headed your way, so watch for it this

year. . . The Afro-Heritage Dancers & Drummers of Newark are one part of the Jazzmobile and the other half is the Art Williams Quintet. This is all due to P. Ballantine & Sons. . . . Le Roi Jones has Spirit House operating in full gear. This last week-end three one-act plays—make sure and get by to catch some of LeRoi's latest works. . . The Cellar is operating again after 8:30 evenings, with the works, paintings, sculptures, music, sewing, dancing. This costs absolutely nothing, just an effort on your part to participate, also Sat. mom. classes for the Teen-ager so come on down, the address Shipman St., yes in the Cellar back or front door. See you there.
